

The 22nd International Symposium on Geo-disaster Reduction

22-25 July 2024, Salerno, Italy

www.icgdr.com

Hosted by:
University of Salerno (Italy)

Chairs:
Prof. Sabatino Cuomo (University of Salerno, Italy)
Prof. Fawu Wang (Tongji University, Shanghai, China)

Introduction

This symposium, the annual event of the International Consortium on Geo-disaster Reduction (ICGdR), aims to bring together academic scientists, leading engineers and students to exchange and share their experiences and research results. The topics will span from landslides to tsunamis, including earthquake related disasters and human related activities towards a common goal to reduce geo-disasters.
